

Court-Ordered Placements

DESCRIPTION OF MAJOR SERVICES

Juveniles are committed to the California Youth Authority or group homes to facilitate their rehabilitation, in an attempt to offer intervention programs that will lead to their future safety and productivity. The county is required to pay costs of support for those minors not eligible for state or federal reimbursement programs. Appropriations are managed in an independent budget to identify expenditures and separate ongoing operational costs.

There is no staffing associated with this budget unit.

Other charges of \$3,122,330 finances commitments of minors to the California Youth Authority and foster care placements. In concert with the adoption of Senate Bill (SB) 81, related to State Juvenile Justice Realignment funding, the department transferred appropriation in the amount of \$186,000 to Probation's Administrative, Corrections and Detention budget unit. This adjustment was contemplated when the state adopted the legislation to provide a framework for the shift of responsibility to counties for certain offenders committed for non-violent offenses, based on prior delinquent history. Further savings in the Court-Ordered Placements budget unit are a direct result of this legislative change. Therefore, the permanent transfer of appropriation between budget units is warranted.
